

# 2<sup>nd</sup> International Symposium

## *Advanced micro- and mesoporous materials'2007*

September 6-9, 2007, Varna, Bulgaria

[http:// micro2007.innoslab.com](http://micro2007.innoslab.com)

### Scientific program

The topics of the symposium will include:

- Nanostructured porous materials
- Porous films and membranes
- Host-guest systems
- Hierarchical systems
- Modification and characterization
- Colloidal systems
- Computational modelling of porous materials
- Advanced materials and application
- Catalysis on porous materials
- Catalytic environmental control

### Important dates

**November, 2006** : Second circular

**March 1, 2007**: Deadline for abstract submission

**March 31, 2007**: Notification for acceptance and Program

**June 1, 2007**: Deadline for early registration and Deadline for Recent research reports

**August 15, 2007**: Deadline for late registration

**September 6-9, 2007**: Symposium

### Conference venue

The conference will take place in Varna, the biggest city on the Bulgarian Black Sea coast.

The first inhabitants of Varna region are an over 10000 years old civilization. The city, called Odessus, was founded by Greek colonists on the site of Varna in the 6<sup>th</sup> century BC. In the 1<sup>st</sup> century AD, the settlement became a Roman possession. It was ruled by the Byzantines, Bulgarians, and Ottoman Turks during the Middle Ages.

Varna can be easily reached by planes, trains, busses; the International airport is located only 10 km from the town and has good connections with many European countries.

### Registration fee (in Euro)

Type:	Early	Late
Regular	310	350
Reduced (for students)	150	180
Industry	380	430
