Dear Sirs,

On behalf of the Organizing committee of the Second International Symposium on Advanced micro- and mesoporous materials we would like to invite your company to sponsor and/or advertise at the symposium. The Symposium will be the largest event in Europe in the broad and dynamic research field of advanced porous materials for this year, and is expected to attract researchers from all continents. The topics of the symposium will include:

- Nanostructured porous materials
- Porous films and membranes
- Host-guest systems
- Hierarchical systems
- Modification and characterization
- Colloidal systems
- Computational modeling of porous materials
- Advanced materials and application
- Catalysis on porous materials
- Catalytic environmental control

The program of the meeting will include 8 invited lectures, about 20 contributed oral presentations and two poster sessions. As plenary and keynote lecturers we invited some of the most respected and active scientists in the area of micro- and mesoporous materials, Prof. G. Busca (Italy), Prof. M. Iwamoto (Japan), Prof. R. van Santen (the Netherlands), Prof. M. Stöcker (Norway), Dr. V. Kanazirev (USA), Prof. H. Knözinger (Germany), Prof. J. A. van Bokhoven (Switzerland) and Prof. A. Walcarius (France). The advisory board of the meeting includes also very prominent scholars.

More detailed information about the symposium you could find on our website:
